Edgemont Junior/Senior High School students make extensive use of the following software programs: Google Apps and Google Classroom, Microsoft Word, Excel and PowerPoint. If students are working on projects at home then the home computer needs to be compatible with school software. We also encourage the use of web-based computing through Edmodo, Google Apps for Education and eChalk. Please contact Mr. Ganeshananthan or Ms. Feuerstein if you have any financial concerns regarding the purchase of school supplies, 914-725-1500.
