## Alumni Walkway

Dear Edgemont Class of 2010,

Now that graduation is right around the corner and your days at Edgemont are numbered, don't you wish you could remain at Edgemont High School forever? Sure, you painted the parking lot and you painted the Senior Rock, but did you know that there is a better way for you to leave a more permanent mark on the EHS campus? In 1998 the Edgemont School Foundation, a charitable organization founded in 1993 to "support and enhance the Edgemont School District's curriculum, its students, and its teachers", sponsored the creation of the Alumni Walkway. The walkway, located along the wall in the center of the campus outside the C building, consists of clay bricks which can be personalized to honor graduating seniors, Edgemont High School alumni, faculty, administrators, and Board of Education members (past and present). The proceeds from the sale of personalized bricks help fund the Foundation's grants to the schools.

We invite you to join us and other alumni who want their years at Edgemont to be remembered, with the purchase of a brick for placement in the Alumni Walkway. If you have other family members who have already graduated, why not consider honoring them with a brick as well? For family members who will be graduating in the future, you may want to consider buying a brick now in order to reserve a location next to your brick. A blank brick will be placed in the Walkway now and personalized upon their graduation.

The bricks are available in two sizes, costing \$150 and \$500 (tax deductible). Order forms can be obtained by clicking on the Edgemont School Foundation link on the Edgemont High School website. **Please note: order forms must be received by Friday, March 26, 2010 for the brick to be installed prior to graduation day.**

We look forward to seeing your name on the Alumni Walkway. If you have any questions, please email us at [EHSWalkway@dpyne.com](mailto:EHSWalkway@dpyne.com).

Sincerely,

Dru (Frackman) Pyne '72
