Dear Parents/Guardians:

**In order to comply with New York State Education Law, the following steps must be taken if your child requires *either prescription or over-the-counter medication* during the school day:**

1. The school nurse must have on file a written and signed request from **both** the physician and the parent. The attached form has been provided for your convenience.

2. All medication must be **delivered** to the school nurse **by the parent.** (Advil, Tylenol and Benadryl tablets are the only medications stocked in school. Any other medications, including liquid and chewable, must be provided by you.)

3. The medication must be in the **original container**, as it is received from the pharmacist or over-the-counter: **with the child's name, the name of the medication, and a description of the dosage.** Please get a second labeled prescription bottle from your pharmacist and deliver only what will be required during school hours.

4. All medication must be kept in the school nurse's office.

5. Inhalers and EpiPens are the only medications that students may carry, and only if the school nurse has on file a physician's order *and* a self-administration waiver. This form is available upon request.

6. All medications must be picked up by a parent or parent representative. We are not able to allow your students to carry their own medications.

*Please do not hesitate to contact Mrs. Bajorin, R.N. (**Grades 10th-12th**) or Mrs. Burbage, R.N. (**Grades 7th-9th**), our school nurses, for further information and forms.*

Sincerely,

Kyle Hosier
