

# 7<sup>th</sup> Grade Team

All of your teachers are looking forward to helping you have a very successful Seventh Grade Year! Here are some guidelines to make your day go smoothly:

## Classroom Expectations

Be respectful of your teachers and fellow classmates.  
Extra-help is for your benefit. Teachers will be happy to provide late passes for sports practice.  
Chromebooks should be fully charged at the start of the day.

## Organize Your Day

### At Home

Make sure you have packed up homework, binders and materials needed for the school day.

### At Your Locker

Gather binder(s), materials, and planner for morning classes.

### Before Lunch

Place morning materials into locker.

### After Lunch

Gather binder(s), materials and planner for afternoon classes.

### After School

Check planner for homework assignments and extra-help schedule.  
Pack up binders and materials needed for homework.

### At Home

Check planner/Google classroom and prioritize assignments.  
Complete homework, review notes, study for tests.

## Classroom Entry Procedures

Be in seats and ready to work when bell rings.  
Homework, binder, writing implements, and planner should be out and ready.  
Record homework even if teacher posts it online.  
Follow directions the first time given!  
Cell phones should be turned off and placed in locker or backpack throughout the day, including lunch

## Classroom Exit Procedures

Clean up your space.  
Take all belongings.  
Put chairs under desks.  
The teacher dismisses the class, not the bell.

## Homework/Projects

If absent, you are responsible for completing missed class work and homework.  
Any typed work is expected to be printed prior to class.

*Individual teachers may have specific additional policies and requirements.*

## 7<sup>th</sup> Grade School Supply List

Students are expected to have the following supplies in school daily. Each teacher will specify which supplies are needed for his/her individual class.

Edgemont Junior/Senior High School students make extensive use of the following software programs: Google Apps and Google Classroom, Microsoft Word, Excel and PowerPoint. If students are working on projects at home then the home computer needs to be compatible with school software. We also encourage the use of web-based computing through Edmodo, Google Apps for Education. Please contact Mr. Hosier or Ms. Johnson if you have any financial concerns regarding the purchase of school supplies, 914-725-1500.

***We can't wait to see you at Edgemont Jr/Sr High School in September!***
