Supply List

Dear Parents and Guardians of Incoming Art Students,

While the upcoming year brings much uncertainty, we are preparing to provide an engaging and enjoyable art experience regardless of a hybrid or remote learning model.

The New York State Education Department's (NYSED) reopening guidance suggests **“students maintain individual kits of ‘high touch’ supplies such as scissors, markers, pencils, erasers, etc. to limit the sharing of supplies between students. These supplies could also be taken home and used should schools or students return to remote learning”**.

In following this guidance, I kindly request that each student acquire their own set of basic personal art supplies to use in replace of the communal supplies typically available in our art classroom. Additional supplies for our curriculum will be provided by the art department. There will be a material “pick up” time for those extra supplies as the school year begins.

I look forward to getting to know your child through their artwork and supporting them as they grow their artistic and creative skills. Thank you in advance for your support! Please let me know if you have any questions or need assistance finding materials.

Sincerely,

Sarah Carey
